Craftsman-Branded Tablets & Sales Hardware

Give sales teams a polished, guided custom workflow.

OVERVIEW

Equip your team with dedicated CraftsmanAI-branded sales hardware built for staff-assisted custom design conversations. From customer-facing tablets to guided intake tools, this solution helps showroom service feel more consistent, professional, and efficient at the counter.

KEY CAPABILITIES

- Dedicated hardware designed for CraftsmanAI retail workflow
- Staff-assisted and customer-facing tablet experiences
- Standardize custom intake across team members
- Support smoother guided interaction at the counter
- Improve professionalism across custom design conversations
- Create a cleaner, more modern in-store presentation

BEST FOR

Retail teams, jewelry stores with active showroom traffic, and brands looking to elevate staff-led customer service.

WORKFLOW IMPACT

Sales conversation -> guided intake -> cleaner project handoff.

Available with an active CraftsmanAI subscription. Rollout and implementation scope may vary.
